**Title of Item:**

Sandoval County 2012 Road Inventory

**Action Requested:**

Motion to Approve Resolution No. 3-1-12.7 Certifying the 2012 County Road Inventory.

**Summary:**

The County is required by Section 66-6-23 NMSA 1978 to identify each public road it maintains and to have the Board of County Commissioners certify the total miles maintained, by road name, route and location.

The Annual County Certified Maintained Mileage Report must be submitted to the Secretary of the Department of Transportation on or before April 1<sup>st</sup> of each year in order to remain eligible to receive funding from the State. These funds are used to help fund our road maintenance operation throughout the County. The 2012 Road Inventory accurately represents the 1,516.15 miles maintained by the County. This year there is a decrease of 23.68 miles due to roads being closed. Justification for each road that was closed is clarified in the Summary for State Road Mileage Differences Memo. Staff recommends approval.

**FISCAL IMPACT**

The Public Works Division receives revenues from the State of New Mexico Taxation and Revenue Department (NMRTD) in the form of gasoline taxes and motor vehicle registration fees. The NMRTD collects and distributes this funding to counties based upon the number of certified road miles maintained. For 2012 fiscal year we budgeted \$539,819 in gasoline tax and \$433,323 in motor vehicle fees for a total of \$973,142.

**Date:** 2/21/2012  
**Re:** State Road Inventory 2012-2013

Please accept this road inventory for the 2012-2013 Fiscal Year, upon my start date I have reviewed the completed State Road Inventory as prepared by Mr. Chris Miller, former Sandoval County Roads Manager. Upon completion of my review I had posed questions as to the negligible mileage difference from the previous road inventory to the present road inventory; a 1.54% decrease resulting in a total mileage of 1516.15 for the current years submittal. In speaking with Mr. Miller, he has offered the following explanations as to the adjustments that were made to the State Roads Inventory; I have compiled the explanations and listed them as follows:

### Summary for State Road Mileage Differences:

Summary Breakdown	Area	District	Mileage (#/)	Reason for Difference
Lybrook Road C	Counselor	5	-0.5	Closed by the Navajo Nation
Gonzales Road	La Madera	1	-0.6	Closed by the Estate
Paliza Road, F.S. Road 266	Ponderosa	5	-18.5	Closed due to land swap between F.S., BLM & BIA
Panamorama Road	Regina	5	-0.4	Closed by the Estate
Little Joes Road	San Luis	5	-2.38	County line set utilizing GPS; McKinley County road
Andy Sandoval & Emily Sandoval Roads	Torreon	5	-1.3	Closed by the Navajo Nation

Please find attached the amended Sandoval County Public Works Road Inventory 2012-2013 and the corrected route maps reflecting the adjusted Sandoval County Maintained Roads. As pursuant to NMSA 1978, Section 66-6-23 (1999), please accept this submittal for the Annual Certified Maintained Mileage Report to the Secretary of the Department of Transportation in order to meet the criteria as set forth in the above referenced statute.
