A conflict of interest of a Director is any matter in which the interests of the SCRECC conflict with or may conflict with, directly or indirectly, the interests of the Director or the Director's family. A Director must disclose to the Board any such personal interest or conflict prior to any discussion or vote on any matter coming before the Board that involves or may involve such personal interest or conflict of a Director.

**Section 3. Collective Bargaining.**

The Rio Rancho Police and Communications Association is currently the sole bargaining unit for employees of the City of Rio Rancho Police Department and the SCRECC, and those employees may become members of the Association in accordance with the contract then in place.

**Section 4. Fiscal Agent.**

The City of Rio Rancho shall act as the Fiscal Agent for the SCRECC and shall collect all revenues accruing to the operations from the entities named within this JPA and shall apply for grants from the New Mexico Enhanced 911 Fund on behalf of the SCRECC. The City of Rio Rancho shall make all disbursements for the operation of the SCRECC and be responsible for financial reports. The City of Rio Rancho will participate in the creation of a five year strategic plan for the SCRECC and agrees to help the Board with an annual review and update to the plan.

The City of Rio Rancho shall be entitled to charge an administrative fee not to exceed 3% of the ACTUAL fiscal year expenditures. An administrative fee amount shall be budgeted each year based on the proposed budget, but shall not be paid for funds not actually expended during the fiscal year. The administrative fee shall not be calculated for funds received from any grant, excess funds carried over for capital expenditures, or any other source other than the contributions made by member entities.

**Section 5. Accountability of Funds.**

The City of Rio Rancho shall be strictly accountable for all funds disbursed pursuant to this JPA and shall maintain appropriate records as prescribed by law. The City of Rio Rancho will provide the Board with a detailed expenditure report for the dispatch budget when it is requested. A separate fund shall be set up by the City of Rio Rancho for the SCRECC, and excess funding shall not revert to the City of Rio Rancho general fund at the end of each fiscal year. The cash balance left in the SCRECC fund, after all expenses and the administrative fee have been paid, will be placed in a capital outlay line item within the same fund and carried over to the following fiscal year. The capital outlay will be used for future needs of the SCRECC as determined by the Board.

**Section 6. SCRECC Budget Meeting.**

The SCRECC annual budget meeting will be held in October of each year. The meeting shall be attended by the top official (i.e. City Manager/County Manager) or designee from each entity represented on the SCRECC Board of Directors. The recommended budget shall be ready to present to the Members' governing bodies prior to December 1st of each year. The Board Chair will accompany the Rio Rancho Police Chief to all budget hearings within the City of Rio Rancho concerning the SCRECC.

**Section 7. Operating Costs.**

1. The Members shall pay a pro rata share of the approved total annual budget for the SCRECC, which share shall be determined as set forth herein.
2. Members' pro rata share of the budget shall be calculated or adjusted every three fiscal years. Each Member's pro rata share of the budget shall be equal to the total amount of SCRECC dispatcher time (dispatcher time is defined as the amount of time that each unit is logged onto a call in progress in the computer aided dispatch) spent providing service to that Member jurisdiction during the two previous years, divided by the total amount of dispatcher time spent providing service to all Members' jurisdictions, as determined by the City of Rio Rancho based on records maintained by the SCRECC. The SCRECC Board has approved the following respective shares of the SCRECC budget for the fiscal year ending 2013:

City of Rio Rancho	52%
Sandoval County	34%
Town of Bernalillo	6%
Village of Corrales	4%
Pueblo of Santa Ana	4%

The Members' respective shares of the SCRECC budget shall be recalculated, approved by the Board, and submitted to each of the Members' governing body for approval prior to February 1st of every other year.

3. Payments are due quarterly for service provided during the previous quarter.
4. During the period of this agreement, it may be necessary for several of the entities represented to enter into a cost share agreement for radio maintenance, IT costs, or costs associated with the use of another member's equipment or service. The agreement for additional services will be coordinated between the agencies involved and coordinated by the Chair of the Board or their designee. A signed addendum to this Joint Powers Agreement will be signed by all agencies wanting to have additional services, and the cost will be distributed between the agencies as defined in the addendum. Agencies may enter into a separate memorandum of understanding or JPA to be determined by those agencies including costs.
5. If a new entity wishes to join this JPA during the period of this agreement, it shall be

represented by Sandoval County on the Board until it has one year of dispatch data in order to calculate its share of the annual SCRECC budget.

**Section 8. End User Equipment.**

Each Member shall be solely responsible for the installation, maintenance, and repair of all radios, antennas, repeaters, and other equipment suitable and necessary to communicate with the SCRECC as determined by the Board. Each Member Entity understands that the SCRECC's ability and obligation to provide enhanced 911 services hereunder is directly dependent upon such equipment being maintained and kept in good working order. Each Entity Member is to bear all costs of installation, operation, and maintenance of such equipment. An agreement for the maintenance of the equipment can be entered into by member agencies based on Section 7.4 of this document.

**Section 9. Master Street Address Guide-**

The SCRECC shall be generally responsible for maintaining, updating, and providing the necessary information to the telephone company as needed to maintain an accurate Street Address Guide for each of the jurisdictions for which the SCRECC provides services. Proper addressing is essential to timely response, therefore, each Member entity shall be responsible for initial addressing of the area within such Member's jurisdiction, and for improving and correcting such addressing when warranted.

**ARTICLE IV – TERMS OF AGREEMENT**

**Section 1. Term.**

This JPA shall become effective on the first day of the first full month after its approval by the Secretary of DFA, but each Member agrees that it will abide by the terms of this JPA before such approval, as long as the SCRECC is providing the above-described services to such Member.

**Section 2. Termination without Cause.**

Any Member may terminate its participation in this JPA by delivery of a written notice to the other Members at least one hundred and eighty (180) days prior to the intended date of such termination. No Member may nullify or avoid any obligations incurred prior to termination.

**Section 3. Termination for Non-Payment.**

In the event that any Member fails to make any payment due under the terms of this JPA within ten (10) business days of the due date, the City of Rio Rancho shall give written notice to that Entity Member of its delinquency. If the failure to pay is not cured within (15) fifteen business days following receipt of such notice, this JPA shall be suspended as to that Member as of the end of that fifteenth day, and the SCRECC shall thereafter have no obligation to provide services to that Member

hereunder except for 911 emergency calls. The non-paying Member shall be and remain fully liable for payment of the amounts set forth in Article IV, Section 4, below, prorated to the suspension date. Upon payment of the amount owed, the Member entity shall be removed from suspension and full services shall be rendered. When payment has not been received within 90 days of the due date, this JPA shall terminate to that Member entity and no services shall be rendered from that date forward.

In the event a Member is terminated from the JPA for non-payment, 911 calls received by the SCRECC for their jurisdiction will be transferred to them at a number provided by the Member. The SCRECC will relay radio calls for emergency units in distress, but will not dispatch routine calls to Member agencies that have been terminated for non-payment.

**Section 4. Liability.**

No Member shall have any responsibility whatsoever for any actions or omissions of any other Member or the officers, agents, or employees of any other Member in the conduct of activities hereunder. The preceding sentence is intended only to define the liabilities among the parties hereto, and it is not intended to modify, in any way, the parties' liabilities as governed by federal, state, tribal, or common law, the New Mexico Tort Claims Act, or any applicable consent to suit. Any liability of the City, County, Village, or Town incurred in connection with this JPA is subject to the immunities and limitations of the New Mexico Tort Claims Act, NMSA 1978 §§ 41-4-1, *et seq.*, as amended, and the express immunity granted pursuant to NMSA 1978 § 63-9D-10. No provision of this JPA modifies or waives any provision of the New Mexico Tort Claims Act. By entering into this JPA, the Pueblo does not waive or limit its sovereign immunity with respect to any claims by any third party beyond any applicable waivers included in Pueblo law, and does not waive any other defense(s) or limitation(s) of liability pursuant to applicable law.

**Section 5. Amendment.**

This JPA shall not be modified or amended in any respect except by a writing, executed by the authorized representatives of the Members and approved by the Secretary of the New Mexico Department of Finance and Administration.

**Section 6. Governing Law.**

This JPA shall be interpreted in accordance with the laws of the State of New Mexico.

**Section 7. Appropriations.**

The terms of this JPA are contingent upon sufficient appropriations and authorization being made by the Members' governing bodies for the performance of this JPA. Any Member that does not receive sufficient appropriations and authorization may terminate its participation in this JPA according to Section 2 of Article V. A Member's determination as to whether it received sufficient appropriations and authorization shall be conclusive.

**Section 8. Status of the JPA.**

The Members acknowledge and agree that this JPA constitutes an "agreement" as that term is used in the New Mexico Joint Power. Agreements Act, 1978 N.M.S.A. § 11-1-7 (the "JPA Act").

**Section 9. Accountability.**

During the term of this JPA and for a period of three years thereafter, each of the Members shall maintain accurate and complete records of all disbursements made and monies received by each pursuant to this JPA, and upon receipt of a reasonable written request, each shall make such records available during regular business hours to the other Members, or to any federal, state, or local authority, and to the public as required by law.

**Section 10. Distribution of Residual Property.**

At the end of the term, the Members shall distribute and dispose of all property acquired by SCRECC in connection with this JPA. In the absence of an agreement that specifically provides for the division or distribution of such property, such property shall be distributed to the Member that purchased it; or if the property was acquired by more than one Member, the property shall be distributed to those Members in accordance with that Member's pro rata share of the acquisition and maintenance costs of the property.

**Section 11. Conformity with the JPA Act.**

The Members intend that this JPA conform in all respects with the JPA Act and that this JPA shall be construed and enforced in conformity with the JPA Act. In case of any inconsistency between this JPA and the provisions of the JPA Act, the provisions of the JPA Act shall control and this JPA shall be deemed to be amended, so that such controlling provisions of the JPA Act are incorporated into and made part of this JPA, and any inconsistent provisions of this JPA are deleted to the extent of the inconsistency.

**Section 12. Severability of Provisions.**

If any of the provisions of this JPA are held invalid, the remainder of this JPA shall not be affected unless any provision held as invalid makes the fulfillment of the majority of the purposes of this JPA impossible or impracticable.

**Section 13. No Waiver of Jurisdiction by Any Pueblo**

Except as otherwise expressly provided herein, nothing herein shall constitute a waiver of any Pueblo's immunity from state jurisdiction, as a matter of federal law, and to the extent any Member provides any services within the Pueblo's boundaries pursuant to the enhanced 911 system created hereby, such entity shall be deemed to be acting on behalf of the Pueblo and pursuant to Pueblo law in performing such services. Notwithstanding anything to the contrary

contained herein, the City of Rio Rancho shall not, by providing any services hereunder, be subject to Pueblo law or subject to the jurisdiction of any Pueblo court.

**Section 14. Limited Waiver of Sovereign Immunity by the Pueblo.** In consideration of the obligations of the City of Rio Rancho and the SCRECC hereunder to provide enhanced 911 services for the Pueblo of Santa Ana prior to payment for each period in which such services are provided, the Pueblo hereby agrees to waive its sovereign immunity and to be subject to the jurisdiction of any court having jurisdiction over the City of Rio Rancho or the SCRECC, for the limited purpose of enforcing the Pueblo's financial commitments hereunder attributable to periods during which services have already been provided. Nothing herein shall be construed as waiving the Pueblo's sovereign immunity, or any other defense the Pueblo may have, for any other purpose or proceeding whatsoever.

**Section 15. Prior Agreements.**

All prior agreements among or between any of the Members concerning the SCRECC shall terminate as of the effective date of this JPA.

**Section 16. Dispute Resolution.**

In the event of any dispute, claim, question, or disagreement arising from or related to this JPA or the breach thereof, the Members hereto shall first use their best-efforts to settle the dispute, claim, question, or disagreement. To this effect, they shall in good faith, and recognizing their mutual interests, attempt to reach a just and equitable solution satisfactory to all Members through discussions among themselves; then, if necessary, by mediation.

**Section 17. Counterparts.**

In order to expedite the execution of this JPA by each of the Members, this JPA may be executed in any number of counterparts, all of which together shall constitute one agreement.

**Section 18. Previous JPA Documents.**

Upon execution, this agreement shall replace and supersede all previous agreements between the parties to this JPA. The fiscal provisions in this JPA will not take effect until July 1, 2015.

IN WITNESS WHEREOF, the parties have executed this agreement as of the dates indicated.
