

## **ITB# FY16-SCFD-05**

### **ADDENDUM # 1**

Could you find out about the registration requirements for subcontractors?

- As stated in the Wage Decision (#SA-15-1668H) documentation included at the end of the Supplementary Conditions in the Project Manual, the General Contractor must “ensure that all subcontractors wishing to bid on a Public works project when their portion is over \$60,000 are actively registered with the Labor Relations Division prior to bidding”.
