

Addendum #2

RFP# FY17-SCFD-02

FIREFIGHTER ANNUAL PHYSICAL SERVICES

THE RFP SUBMISSION DATE HAS BEEN CHANGED TO TUESDAY, OCTOBER 4, 2016 BY 3 P.M.

THE SANDOVAL COUNTY FIRE DEPARTMENT IS REQUESTING AN ADDITIONAL REQUIREMENT TO THE COST PROPOSAL FOR RFP# FY17-SCFD-02.

PLEASE SUBMIT THE COST FOR THE DOT PHYSICAL INTO THE SAME COST ENVELOPE WITH THE COST FOR THE FIREFIGHTER ANNUAL PHYSICAL.

The Sandoval County Fire Department has personnel that do not operate in the hot zone of an incident. The personnel that do not operate in the hot zone are required to have a DOT Physical which is targeted to safely operating fire department vehicles. The main difference between the two physicals is there is no pulmonary test or fit testing for a mask in the DOT Physical. Please use the charts below when submitting your pricing. You can add something to this chart under other services if your company offers something that we do not have listed.
