Subject: Comments on the Proposed Sandoval County Oil and Gas Ordinance

Dear Sandoval County Commissioners,

I've written to you before about the proposed Sandoval County Oil and Gas Ordinance. I've also attended two Commission Meetings devoted mainly to this issue.

I'm very concerned that you are still proposing this very weak ordinance that has no air/water/ health/safety protections. I don't understand how you could still move ahead with such community opposition!

Please, please listen to your community members and add protections to the Sandoval County Oil and Gas Ordinance.

Thanks for your consideration.
Susan Selbin
ABQ

Meeting Sandoval County Commission NOV.16th 6 pm

1500 Idalia Rd Bernalillo, NM 87124 County Commission Chambers 3rd floor

We asked the County to move the venue to accommodate the large crowds and they have ignored us. the Mayor of Bernalillo has offered a venue and the County ignored the mayors offer as well. **Please come early 5 pm** once the Commission Chamber room and the overflow are filled they will lock the doors. **Please do not leave please stand with us** to make the noise needed to let the County know that the people will not stand by them or this ordinance. *Bring hand drums pans and Spoons to make the rising sound heard.*

Sign up for Comments begins at 5:30 pm Those who are locked out or cannot comments.

Please see our people with clipboards to take your contact info so our legal team can contact you.

Common Ground Community

Trust has been working hard to implement any legal means to stop this ordinance. We will have delivered a Notice of Violations of the open meetings act to the County by the meeting. We expect to have to file an injunction to stop the Ordinance from being enacted. **Your help is needed especially if you want to protect your drinking water when our government elected officials refuse to do so.**

We are working on procedural IPRA and OMA Meeting Violations and we feel confident those will be upheld and these would have to be remedied before the Ordinance could be implemented. Common Ground needs to raise additional funds for the legal cost to carry us through District Court with this case.

You can help by pledging. WE ACCEPT DONATIONS LARGE AND SMALL WHATEVER YOU CAN GIVE.
