Subject:	1,227 signers: No Fracking Near Rio Rancho petition

Dear Makita Hill,

I started a petition to you titled *No Fracking Near Rio Rancho*. So far, the petition has 1,227 total signers.

You can post a response for us to pass along to all petition signers by clicking here:

The petition states:

> "I urge you to protect our drinking water, homes and environment by denying the SandRidge permit to drill a fracking well near Rio Rancho. The toxic results of using hydraulic fracturing to extract natural gas have led to the contamination of drinking water, earthquakes and dangerous explosions in states across the country, among other issues. In order to protect our essential water resources, we need to keep drilling and fracking out of our communities. Protect your constituents by denying the SandRidge permit to drill."
