

**Addendum # 1**  
**Landfill Engineering and Compliance Services**  
**RFP# FY18-SCPW-03**

1. Beginning on p. 12, Section C.1 (Proposal Content and Organization) specifies that the proposal be organized and indexed in a specific sequence (i.e., Items A-F). However, based on the RFP descriptions of sub-items E.1-E.6 listed under existing Item E (Offeror's Additional Terms and Conditions), it appears that sub-items E.2-E.6 should be listed under sub-item E.1 (Response to Specifications), and that sub-item E.1 should actually be listed as new Item F. Would you please clarify if this should indeed be the case? If so, would existing Item F then be changed to Item G? Please clarify, as there is no description in the RFP for responding to existing Item E.1.

I have changed the format for better clarity. Please see the new format below:

- A. Signed Letter of Transmittal (Appendix C)
- B. Table of Contents
- C. Proposal Summary (Optional)
- D. Response to Contract Terms and Conditions
- E. Offeror's Additional Terms and Conditions
- F. Response to Specifications
  - 1. Organizational Experience
  - 2. Organizational References
  - 3. Mandatory Specification
  - 4. Signed Campaign Contribution Form (Appendix B)
  - 5. Conflict of Interest Affidavit (Appendix D)
- G. Other Supporting Material (if applicable)
