Questions and Answers

1. How long is the term of a resulting contract?

The term of the contract will be 4 years.

2. The optional outer shell materials and thermal liners requested on page 11-12 vary in price, some less expensive and some more expensive. How would the County like bidders to list these additions/reductions in price?

Provide the best price available for the products that meet the minimum standard. If there are additional options available, please list those as "options" with the associated difference in pricing.
