As a resident of Placitas, I urge you to choose wildlife and serenity over profit. My family and I chose Placitas to move to in 2019 because of our love of the environment and how Placitas is unlike any where else we've ever been. We appreciate how homes have been planned and built to retain the natural beauty of the desert and with respect to the wildlife that also resides here. A townhome complex is about as far as you can get from the feel of this special place. Please do not approve the proposal for the townhomes. Please side with the Placitas community who have overwhelmingly voiced their concern against it. Thank you for your time and consideration.
