Comments:

I have read the well-written and thoughtful comments from the Eastern Sandoval Citizens Assoc. regarding the proposed zoning change and development (ZNCH-20-001) before you today.

Please adhere to existing law and custom, and force the developer to do the same. I and many of my neighbors would love to see this proposal go down in flames. But at the very least, Placitas needs to know what is planned for this site before approvals are granted, not after the train has already left the station. For all the reasons outlined in the ESCA document, this development is not a good thing for our community.
