## Comments:

Our beautiful open vistas slowly eroded by multiple family development... no, I think not. Why are we here and what brought us to Placitas ? It wasn't affordable housing marketed by developers and real estate agents, neither of which has much local history.

Regardless of the promises made by the proposal our lives, our property values and our taxes will be affected.

The Sandoval County Placitas Area Plan " <http://www.sandovalcountynm.gov/wp-content/uploads/2017/06/papfinal.pdf>" is a resource for the future that keeps the ambiance and lifestyle Our beautiful open vistas slowly eroded by multiple family development... no, I think not. Why are we here and what brought us to Placitas ? It wasn't affordable housing marketed by developers and real estate agents, neither of which has much local history.

Regardless of the promises made by the proposal our lives, our property values and our taxes will be affected.

The Sandoval County Placitas Area Plan " <http://www.sandovalcountynm.gov/wp-content/uploads/2017/06/papfinal.pdf>" is a resource for the future that keeps safe the ambiance and lifestyle intact.

This proposal is not well designed nor in sync with the community..
