Comments:

I am eager to support the local small business & restaurants I frequented before Covid 19. All I ask is that the employees wash their hands often especially the restaurant employees. Hands need to be washed in between bussing dirty tables, clean sanitized cloths for cleaning the tables & PLEASE, no cell phone handling on breaks unless for emergency purposes. I've seen too many restaurant employees handle their cell phones when they are not busy & it only causes cross contamination.

Thank you. I am a supporter of all local business in Rio Rancho and the surrounding areas. Patricia
