**Comments:**

My husband and I have lived in San Pedro Creek for 16 years. We are extremely concerned by the sudden and seemingly unjustified plan to dissolve our dedicated, highly trained volunteer fire department and transfer responsibility for fire and rescue to Bernalillo County. There is no benefit to the Sandoval County residents in our area as the current station is closer and has been functioning at an extremely high level with complete community support. We hope the the Commissioners will at least table the decision pending further discussion and fact-finding. Thank you.
