**Comments:**

Please vote "No" to the change for the La Madera Volunteer Fire Station which Chief Masterdon is proposing. This is a matter of Government coming in and trying to fix something that does not need fixing. When Chief Masterdom came in he assured us that our LMVFS would continue to operate the way it has for 20 years, and no changes would take place. He totally lied to us. Our rating is 5 and that is the best a fire station can have. We have never had a problem getting volunteers. Bernallilo county is blaming Sandoval county for this. Sandoval County is blaming Bernallilo for this. BFS and LMVFS have worked together for years., and do not have a problem working together. Please do not make these changes. The fact that Chief Masterton was not transparent with the East Mt community is pretty disillusioning. We would like you to reconsider the terms of this agreement.
