Comments:

Vote against the proposal to eliminate the LMVFD. There is no rational justification for doing so. Response time will be slower. The BCFD on Frost Road will take on an enormous additional area for response with not enough first responders. We have a well trained, committed team of firefighters and EMTs at LMVFD. They have done an outstanding job for more than 20 years. Do not take an action that we will regret for years to come.

Diane Wax (20 year resident of SPCE)
