Comments:

I wanted to express my support for the County's investment in Economic Development and SEA. Jobs are critical to our community and SEA has had many successes in helping smaller local companies grow. The County's investment is also attracting private sector support in \$ and in volunteer hours from the private sector to aid in SEA's mission. Thank-you to past commisions for the foresight to invest in jobs and appreciate the current commisions continued support of SEA and jobs for Sandoval County.
