Petition to build storage units at the Algodones Market

Dear residents of Algodones, we need your support to build storage units on the fenced property next to the Algodones Market located at 1403 highway 313.

The storage units will have no negative effects on our community and will be small 10 ft x 10 ft single story sheds. Only 30 units will be constructed at this time.

This will benefit Algodones by making low cost storage available to the residents of Algodones. The need to drive to Bernalillo and pay high storage costs will be eliminated. A manager will be on the property daily and the lot will be gated and secured. The storage will be open Monday through Saturday 8am to 6pm and closed on Sunday.

This petition will be presented to The Sandoval County Planning and Zoning commission at their February 2017 meeting. Thank you for supporting this project

Questions please contact Charles Tooraen at charles@nles.com or 888-642-01
