

Sandoval County Health Care Assistance Program (HCAP)

HCAP Providers and Services List for the Period July 1 – June 30, 2018: Below reflects the list of covered HCAP Services and Providers for the noted term, inclusive of cost allocations. **In order for your health care costs to be covered, you must go to one of the providers listed here.** It's also important to manage your balances throughout the year to ensure the highest coverage possible depending upon your healthcare needs. Should you require services that exceed your limit, all providers listed here will work with you according to an established sliding scale fee. Should you have questions, please contact a Health Commons representative at 867-2291, option 4.
