**Subject:** Proposed Sandoval County Oil and Gas Ordinance

Sandoval County Commission,

My name is Ralph Bowlin and I live in Placitas. I am very concerned that the Stoddard Ordinance is lacking in appropriate safety measures and community involvement and must be tabled until the NM Tech study results are available in May, 2018. I would also like to see a task force established to ensure our county's public is well-represented. This issue is far too big and potentially damaging to ourCounty to push it through without proper research and information. Please don't rush it.

Please do the right thing for all of our citizens.

Ralph Bowlin
