I am aware that the duties of a Sheriff's Deputy require contact with sensitive and confidential information.

It is further my understanding that any history adversely reflecting on my qualification for being a Sandoval County Sheriff's Deputy disclosed by any person or entity and any information gained from such investigation may be cause for my disqualification for employment with the Sandoval County Sheriff's Office or my dismissal from the Sandoval County Sheriff's Office upon due consideration of the facts by the Sheriff or by any authorized representative appointed by him to act in his behalf.

I hereby give to the Sandoval County Sheriff's Office or any duly authorized representative of the Sandoval County Sheriff's Office the authority to conduct any comprehensive investigation of my background the Sandoval County Sheriff's Office deems necessary, including, but not necessarily limited to, oral discussions with any persons concerning my background.

Also, generally, I hereby authorize a review and full disclosure of all records, or any part thereof, concerning myself by/to any authorized representative of the Sandoval County Sheriff's Office, whether said records are public or private including those which may be deemed to be of a privileged or confidential nature. In particular, I hereby authorize the full and complete disclosure of any and all records pertaining to my background, including, but not necessarily limited to, the records of educational institutions, financial or credit institutions, commercial or retail mercantile establishments and public utility companies; records of medical and psychiatric consultation and/or treatment, including those of hospitals, clinics, private practitioners, the U.S. Veterans Administration, and generally all military service medical records and other records of all military facilities; employment and pre-employment records, including background investigations reports, the results of polygraph examinations, efficiency ratings, disciplinary records, complaints or grievances filed by or against me; and records of attorneys at law who have represented me in any case in which I presently have had an interest.

APPLICANT AUTHORIZATION FOR RELEASE OF INFORMATION

I further recognize, believe, and voluntarily state that this interest outweighs my right under the Constitution and laws of the United States and the State of New Mexico to inspect, obtain summaries of, or otherwise be apprised of information obtained by virtue of a guarantee of confidentiality by the Sandoval County Sheriff's Office in the course of my background investigation; or to learn the identity of persons or entities supplying this information.

I hereby release the custodian or custodians of such records and the Sandoval County Sheriff's Office, the County of Sandoval, and the State of New Mexico, including any of their agents, employees or representatives in any capacity, from any and all claims of liability or damage of whatever kind or nature which at any time could result to me, my heirs, assigns, associates, personal representative or representatives of any nature because of the compliance by said custodian or custodians with the Authorization for Release of Information and my request contained herein for this release or because of any of these records obtained by the Sandoval County Sheriff's Office, the County of Sandoval, or the State of New Mexico. PRE-EMPLOYMENT/INVESTIGATION QUESTIONNAIRE
PERSONAL HISTORY QUESTIONNAIRE

READ THE FOLLOWING INSTRUCTIONS CAREFULLY

This questionnaire is to be completed by the APPLICANT only. You will need to write a short narrative to **fully** explain each "YES" answer. In your narrative, answer the relevant questions of who, what, when, where, why, how, how often, etc. as each question requires.

All information is subject to verification by use of the *polygraph* for this comprehensive background investigation. Deliberate inaccuracies, incomplete statements, minimizations, rationalizations, omissions and/or misstatements may result in your disqualification from the selection process or termination from employment if hired.

Any negative factors in your background will be evaluated in terms of circumstances, facts surrounding the occurrence, and its degree of relevance to the job. The Sandoval County Sheriff's Office is looking for mature, honest people who can admit their mistakes, and discuss those mistakes openly and honestly. For example, being fired from a job, or having an arrest record is not, in itself, grounds for disqualification in many cases. During your interview, your background investigator will inquire into the facts surrounding the event. An evaluation will be made of the relevance of the facts to the requirements and guidelines of the job. Being dis-honest about a negative factor in your background is enough to disqualify you as an applicant even though the negative factor by itself might not have been considered serious enough to do so. If you think some event in your background is directly or indirectly related to your application, even though it is not specifically listed, disclose it.
