**Comments:**

I absolutely oppose raising the salaries of the County Commissioners, most especially at a time when many people in our county and our state are struggling to put food on their families' tables. This is not the time for our elected officials to pad their own accounts.

I also wholeheartedly support the recommendations of the New Mexico Civil Rights Commission. It would be a travesty of monumental proportions to oppose those recommendations. Shame on you for even considering such a regressive move in these times of social awareness and upheaval. Shame on you!
