Chair Heil

Thank you for hearing my concern. I address the Commission today to voice my concern regarding the proposed raise for the County Attorney Robin Hammer. I am surprised that the Commission would consider any raises considering the Global pandemic in which we are in. People in Sandoval County need help getting through this pandemic and your focus should be on the people of Sandoval County not on giving the County Attorney more money. I object to a pay raise for the County Attorney and ask that the Commission put resources toward recovery from this pandemic for the people of Sandoval County.
