
Sandoval County Adoptable Dogs

- **Russia, 1-2 year-old female mixed breed dog.**

In search of loving foster/adoptive home for a very special Rottie mix mamma dog found in an abandoned home with her six newborn puppies. Russia is a very sweet and loving, yet submissive dog who seeks human attention once she has bonded to her person. She is very trainable and obeys basic commands and boundaries. The past month her main priority has been raising her six puppies but she always finds time to cuddle up with her foster mom and trusts her to handle her puppies daily.

The puppies will be eight weeks old at the end of April and will be weaned at that time and transitioned for adoption. Russia will need a foster or adoptive home in May as she begins to dry up and prepare for her spay procedure later in the month. She will also be vaccinated, microchipped, heartworm tested, and any other necessary treatment performed.

If you are interested in learning more about Russia, please call (505) 867-7642 or email sandovalpets@sandovalcountynm.gov . You may also submit an application found here: <https://www.sandovalcountynm.gov/departments/community-services/animal-welfare/>
