Comments:

I would like to file a complaint about the property at 644 State Highway 165, Placitas . They have months worth of trash accumulated on the property as well as many vehicles in different levels of dismantling. They have pushed trash into the arroyo which I know is a state violation. This is not only hazardous to their health but also to the health of their neighbors. It is an eyesore to drive by at the very least.

Please let me know what we as a community and you as a state official can do to get this property cleaned up
