Re: An Amendment to the Sandoval County Code, Article II Section 32-24
It is very important to us on Madrid Road in Jemez Springs that this amendment which was inadvertently omitted from the final ordinance be approved and adopted. Since our road was taken off the official road inventory for maintenance we have been struggling to find a way to get back on the road inventory. We definitely need the additional time this amendment will allow us to find a solution to our ongoing problem. Thank you for your efforts in this regard. Mark and Dede Feldman
