Comments:

I Live in Placitas, vote in EVERY election, politically active, & donate to many campaigns.
I do not want our county to have partisan districts squashing our votes, due to gerrymandering. Dilution of people of color's voting power (i.e. Native Americans, Hispanics, etc..) is not what democracy is about. Our county is better than this radically realignment plan.
Please keep this county a fair voting example for all to emulate.
Thank You
Howard Burgess
