Commissioners,
Committee Members,

I am submitting public comment regarding the redistricting plans for Sandoval County. Map D is the most fair map as it keeps original boundaries mostly intact and keeps neighborhoods together. Maps A, B, C, and the Bruch plan change the boundaries greatly and splits neighborhoods along with votes. Please choose Map D for our re-districting efforts to keep our voices heard.

Further, political district maps should not be arrived at based on the motives of political parties. There are five clear criteria for district boundaries. To ignore those criteria and subjugate people to the whims of political motivations compromises the integrity of fair elections. Appeasement has no place in law. To appease one side's motivations, is to compromise the validity of the rights of another.

Thank you!

John Hubert
