<p>Dear Commissioners,</p> <p>I support the Eichwald Plan for redistricting. The Sandoval County Commission Districts must fairly represent all the county's people. The Eichwald plan developed after consultation with the voters of Sandoval County is a nonpartisan division of the county based on the six principles of nonpartisan redistricting. This plan will achieve the goal of having a commission that can effectively and efficiently work to improve the lives of the citizens of Sandoval County. Vote for the Eichwald Plan.</p> <p>Sincerely,</p> <p>Ann E. Kepley Bernalillo NM</p>
