Sandoval County Commissioners,
I'm writing on behalf of the Evergreen hills neighborhood to show our support of the Request for a Motion to Adopt Resolution No. 1-12-22.10D Approving the Circle Drive-Maintenance Inventory Acceptance Resolution. This road has been maintained by Sandoval County for over 40 years. The ultimate end users are tax paying Sandoval County Residents. The neighborhood is also in full support of renewed agreements between US Forest Service and Sandoval County for Forest Road 333D. Since the maintenance has stopped on both portions of Circle Drive and Forest Road 333D have badly deteriorated. The neighborhood has met with both Sandoval County and Bernalillo County Fire and EMS teams this last summer and both entities were concerned of the added time required to respond due to the condition of the road.
