

Aerial Imagery Services

RFP FY22-SCAO-01

Addendum #1

Issued March 1, 2022

1. Can you please send us the project boundaries in a digital format (shp, kmz, or other)?
The shape files are available for download on the RFP page of the Sandoval County website: <https://www.sandovalcountynm.gov/departments/online-business/request-for-proposal/>.
2. Article 1D. Term of contract: “The contract includes two projects: the first shall be completed and delivered no later than June 2022; and the second shall be completed and delivered no later than Spring or Fall 2024, as determined by the Assessor”. Can you please confirm the area of interest is the same for both projects (2022 and 2024)?
At the time of publication, this question had not be answered. A subsequent addendum will be issued that addresses this question.
3. Article 4A. Detailed Scope of Work: “Flight Conditions: Aerial Imagery shall be captured when there is 30% or less leaf cover conditions.” Can you please tell us when do the 30% or less leaf cover conditions typically occur over the area of interest?
At the time of publication, this question had not be answered. A subsequent addendum will be issued that addresses this question.
4. Do you confirm there is not Pricing Form attached to this RFP?
No, there is not a Pricing Form attached to this RFP.
