

Aerial Imagery Services

RFP FY22-SCAO-01

Addendum #2

Issued March 7, 2022

1. Article 1D. Term of contract: "The contract includes two projects: the first shall be completed and delivered no later than June 2022; and the second shall be completed and delivered no later than Spring or Fall 2024, as determined by the Assessor". Can you please confirm the area of interest is the same for both projects (2022 and 2024)?

Yes, the area of interest is the same for both projects.

2. Article 4A. Detailed Scope of Work: "Flight Conditions: Aerial Imagery shall be captured when there is 30% or less leaf cover conditions." Can you please tell us when do the 30% or less leaf cover conditions typically occur over the area of interest?

The time frame will depend upon weather conditions. Typically in this region, October through April have 30% or less leaf cover conditions.
