1.4 NOTICE TO BIDDERS

- A. This Addendum is issued to all registered plan holders pursuant to the Instructions to Bidders and Conditions of the Contract. This Addendum serves to clarify, revise, and supersede information in the Project Manual, Drawings, and previously issued Addenda. Portions of the Addendum affecting the Contract Documents will be incorporated into the Contract by enumeration of the Addendum in the Owner/Contractor Agreement.
- B. The Contractor shall acknowledge receipt of this **Addendum 07**. Please email Leslie Olivas at ldolivas@sandovalcountynm.gov and Mark Hatzenbuhler at mhatzenbuhler@sandovalcountynm.gov for acknowledgement and any additional questions.

1.5 Questions / **Answers**

- A. Section 3 Plan Format Tables A and B will be very difficult to provide on bid day due to the fact that most subcontractors bid the project within an hour of the bid due time. Therefore, General Contractors will not know which subcontractors we will be using until that time and there will not be enough time remaining to complete the detail for each of the Tables. Since this information will not impact the bid amount, would it be possible to allow Tables A and B to be emailed to the County within 24 hours of the bid date and time? This would provide enough time for General Contractors to complete Table A and to contact the selected subcontractors to obtain the required information for Table B.

Answer: The information for Tables A and B will be needed as part of the CONTRACT but NOT required as part of the BID.
