From the Office of Emergency Management:

The National Weather Service reports that the *Flood Warning* continues for the Jemez River above Jemez Pueblo affecting Sandoval County. Warm temperatures continue to cause rapid melting of snowpack, causing increased river flows.

PRECAUTIONARY/PREPAREDNESS ACTIONS

- Motorists should not attempt to drive around barricades or drive cars through flooded areas.
- Most flood related deaths occur in automobiles. Do not attempt to cross water covered bridges, dips, or low water crossings.
- Caution is urged when walking near riverbanks.
