3. Conclude Canvass of Results of the 2022 General Election
(Anne Brady-Romero, County Clerk)

County Clerk, Anne Brady-Romero wanted to thank several people who helped with the election process, most especially the voters of Sandoval County. The various departments and Directors, the Sheriff's Department, the Fire Department, the town police officer's, the poll watcher's, the poll challengers and last but certainly not least the Record's & Filing staff and the Bureau's Election staff. Ma 'dam Clerk wanted to emphasize that her staff is very good at what they do. The last pay period the Bureaus of Elections staff worked eighty hours of overtime. To say that we need more staff is an understatement, the starting wage coming into this office is \$11.99 no one with experience wants to work for that meager wage. We work with what we have following the laws and statutes of the state of New Mexico. For instance, our Bureau of Elections, manager has worked tirelessly every single day before, during and after elections.

My Chief Deputy was a technician because we lost two technicians' due to higher wages being offered. MA' dam Clerk cannot express her gratitude for these employees. Come next budget year Ma 'dam clerk will be requesting more technicians, Bureau of Election Coordinator, Administrative Assistant and an increase of wages for my current employees, more money for training the poll worker's and a warehouse bigger than 9800sq. of space that we now have. We must move forward and act as the class act county we are.

MA' dam Clerk directed the rest of the presentation to Chief Deputy Clerk, Joey Dominguez. Chief Deputy Clerk, Joey Dominguez wanted to thank everyone for their hard work. Through transparency he wanted to identify the errors that arose during this election.

Chair Meek made a motion to approve the canvass, seconded by Commissioner Eichwald. Commissioner Bruch, Commissioner Eichwald, Vice Chair Heil and Chair Meek, Commissioner Block, voted no. Vote was 4-1.
