

Sandoval County Assessor Office

Linda Gallegos, Sandoval County Assessor
Richard Shanks, Chief Deputy Assessor

DEADLINE TO FILE

Property owners may appeal the value or classification determined for their property by filing a petition of protest with the county assessor within 30 days of the official mail date of the notice of value.

HOW DO I FILE?

Protest forms are available in our office, or you may download a protest form from our website.

NOTICE OF VALUE MAILING DATE

Each year the Assessor mails each property owner a "Notice of Value." This form serves to inform the owner of the total assessed value, the property description and exemptions applied to the property. Sandoval County typically mails notices on or around April 1st of each year.

Protesting Your Property Value What To Expect When You File a Protest Petition

Step 1: On Site Inspection

Once your protest petition has been submitted to our office, it will be assigned to one of our staff appraisers for a complete on site review of the property. This review will include: taking photos, inspecting the exterior of your property, verifying and correcting all pertinent data, and measuring and sketching the exterior of all structures if necessary. In some cases an interior inspection may be necessary as well.

If your property is gated or you live in a gated community, please contact us to make an appointment to access the property, or call us to provide the gate access code.

After the field review has been completed, the appraiser will either E-mail or mail you a letter informing you of any change to your valuation. If an adjustment has been made, and you are in agreement with the revised valuation; you may choose to withdraw the petition of protest by signing and returning a copy of the letter.

Step 2: Informal Conference

If we have not adjusted your valuation or you remain in disagreement with our revised valuation, you may choose to proceed with the protest process. If this is the case, the appraiser may set up an "informal conference" to meet with you in person. At this time the appraiser will inform you of any changes made to your property records and present you with information that supports our valuation.

At this time, you may also bring any new documentation to our office in support of your value for the appraiser to consider. If you bring sales information of properties comparable to yours, please ensure that you are submitting sales that occurred in the prior year.

3.6.7.33 B (2) Discussions during informal conference is not admissible during formal hearing.

DEADLINE FOR RESOLVING PROTEST

All protest are required by law to be resolved within 180 days of the protest file date. This deadline may be extended by the New Mexico Property Tax Director if the assessor requires and request more time to resolve protest.

Protesting Your Property Value

Step 3: Formal Hearing

If your protest is not resolved at the informal conference, then a formal hearing will be scheduled for you before the County Valuation Protest Board. You will be notified by certified mail of the date, time, and location of the hearing at least fifteen days prior to the hearing. In addition, you will receive a nine page "**Information Pamphlet**" that provides you with more statutory information relating to the protest hearing process.

The County Valuation Protest Board consists of three members. Two members and two alternates are residents of the county, and are appointed by the County Commission. The third member and an alternate are employees of the State Property Tax Division, and serve as the Chairperson of this board.

The protest board will hear testimony and accept documentation from both the Assessor's Office and you, the protestant. Please make sure to bring five copies of any documentation you will be submitting as evidence.

If you will be presenting any documentation to the protest board, please make sure to give a copy to the appraiser in charge of your case at least thirty days prior to the hearing.

After the hearing the board will privately discuss and decide the case. The board will then mail a written Decision and Order to both parties within thirty days after the hearing. If the board rules in your favor, the Assessor's valuation will be adjusted accordingly.

If a protestant fails to appear at the hearing, the protest will be denied and the valuation will default to the assessor's value.

I am hopeful that this brief explanation has helped you understand the process of protesting your property value. One of my goals as Assessor is to keep the public informed and ensure fair and equitable assessments. If you have any questions please call out office at 505-867-7562. Please provide our staff with your protest number as listed on your protest form and we will connect you to the appraiser responsible for your case.
