Comments:

Dear Commissioners,
We respectfully recommend and request your approval of the proposed "Ordinance to Ban Feeding of Free-Roaming Horses" and "Resolution to Establish a Permit Process for the Feeding of Free-Roaming Horses".
Homeowners in our immediate neighborhood are feeding the wild horses on a regular basis. Such feeding has resulted in far too many horses roaming the streets and foraging on private property, destroying the natural environment, landscaping, vegetable gardens, fruit trees, irrigation systems, etc. Clean-up of horse manure is a health hazard and continuous chore from property and streets with no help from our immediate neighbors who feed them. Additionally, the feeding increases the likelihood of traffic accidents involving horses.
Thank you for your prompt consideration of this matter.
