

**ORDINANCE NO. 5-24-23.10**

**ORDINANCE TO BAN FEEDING OF FREE-ROAMING HORSES**

**Whereas**, Sandoval County is a political subdivision of the State of New Mexico;  
and,

**Whereas**, NMSA § 4-37-1 (1975) gives the Board of County Commissioners the power to “provide for the safety, preserve the health, promote the prosperity and improve the morals, order, comfort and convenience of any county or its inhabitants” and to make ordinances to carry out that authority; and,

**Whereas**, the feeding of free-roaming horses makes them dependent on humans and leads them to stay in populated areas instead of moving throughout their natural range; and,

**Whereas**, there is an overpopulation of free-roaming horses in Sandoval County which leads to traffic accidents and endangers the welfare of citizens; and

**Whereas**, there are residents of Sandoval County who feed the free-roaming horses foods that may cause harm to their health and may aggravate the horses if approached during mating and foaling; and,

**Whereas**, the safety issues in Sandoval County are driven largely by the presence of free-roaming horses and that expanding patrols or ticketing for speeding and other criminal offenses will not be effective;

**NOW, THEREFORE, BE IT ENACTED** by the Board of County Commissioners of the County of Sandoval, as follows:

**Section 1.** There is enacted a new article in chapter 14 of the Sandoval County Code of Ordinances as follows:

  - 2. The feeding was done on land (1) owned by the United States of America or (2) held in trust by the United States of America for an Indian tribe.
- B. The burden of proof for the defenses listed in this section shall be upon the person charged.
