Comments:

In the short year that we have been a part of Heartstrings, it has changed my 7 yr olds life. She has found her voice and confidence through this community and a new sense of belonging. Heartstrings belief in providing theater for all, not just those who can afford it is a breath of fresh air in this age when parents are pressured to pay thousands a month to give their children a chance to “compete” or “succeed” in their art or sport.
