I am hereby requesting that at the next Sandoval Board of Commissioners meeting on September 13, 2023 that agenda item 11 A be affirmed by a yes on its adoption by ALL sitting commissioners. This important process will allow New Mexico voters to vote on very anti family/ parent legislations supported the majority Democrat party currently in control of the New Mexico House and Senate. The referendum process allows voters to affirm or remove egregious bill implemented by the New Mexico Legislature in 2023. I strongly request that voters have the option to vote in the upcoming election.
