Remember the “Letterman Jacket Challenge”. I will be visiting each club a minimum of 5 times next year. At those meetings if you share your record forms/ portfolio with me, and I see your progress throughout the year, your name will be placed in a drawing to receive a Letterman’s Jacket at the 2024 Awards Banquet.

The jacket will be personalized with your name, club, and county. You will have an opportunity to get your name into the drawing at least 5 times. Those who attend the Record Keeping Workshops will receive 5 chances to be placed in the drawing.

We've got a spot for you in 4-H! Join Now!

Thank you to all who took the time and completed Portfolios! Other County Agents judged them and were quite impressed! We had several Cloverbuds who turned in their portfolios too!

Why Record Books? It starts with a project and ends with records in a Portfolio!

- To have a life time memory and record of what you have done in 4-H.
- To establish good habits of organizing, planning, evaluating, and setting goals
- Each year your portfolio builds on the last
- Universities across the nation look at participation in 4-H and these can serve as a scholarship tool! We are after all, New Mexico State University!
- Other businesses tend to hire someone if their resume notes 4-H
- And, we can give you a letter of reference, if you have attended all club meetings, have been an active participant in 4-H and completed a portfolio each year.

Avoid the Rush—Get started early! When you enroll, think about your projects and make a folder and start organizing your portfolio. In January, begin recording items in a record book. Include photos too! Project photos should show you working with your project. Example: A picture of a target is not good, but a picture of you in a position, ready to shoot a target is much better! We had some very creative 4-Hers this year!

Take a little time each month and bring your book up to date

What Makes a Good Portfolio?

- Should be neat and clean
- You may ask your parents to help you, but the work must be your own
- Take your portfolio to club and project meetings
- Underline your own name in clippings or go over them with a highlighter marker. The judges see everything! Judges are other county agents trained to judge portfolio's on a point system.
- Items NOT to include in your record book are:
 - Fair ribbons
 - Any material not related to your project
 - Programs for events
 - Last year's records unless requested
 - Project literature
- . . . Signature and comments—make sure your record book is signed by you, your parent/guardian, Club Leader and the 4-H Agent.
- . . . All portfolios must be submitted to Extension office in a timely manner.

One year we had over 80 Portfolios turned in! Let's break that record in 2024!
