Comments:

I recently received a certified mailing from Sandoval County Planning and Zoning Department. I have a question about item ZNCH-23-002. I am trying to understand if the properties listed affect my properties. I own properties in Block 12. They are Block 12, lots 6,7,8,9. They all show Unit 5.
From the wording in the letter, I am unsure if the properties listed above are affected by the request by Select ROW. Thank you
Ian Johnson
