**Comments:**

Regarding the upcoming board of canvas meeting to be held by Sandoval County Commissioners on November 17th, 2023, for the record, or would like my public comments to be expressed to the entire board of Sandoval County Commissioners.

Since public comment is not permitted during the call to canvas meeting that will be held on November 17th, 2023. I am expressing my comments here today.

I I strongly urge The Sandoval County Board of canvas not to certify the results of the election held on November 7th, 2023 due to the use of non-certified electronic tabulator equipment. End of story.

Thank you John Veltri
