Comments:

This is most certainly a time when the truth is not questionable!
There is so much empirical evidence and truth that the Dominion Voting machines were created to be a hidden way to arrange fraudulent contaminated elections, where we the people have had no choice but to constantly point out that The Dominion machines were created to remove our honest choices in an election !! Thus the Name "Dominion," as if we would never figure out that, taking dominion over," we the people," was assured, as a selling point to every county presented the sales pitch by the Dominion Corp. The Dominion company is going bankrupt, as I've heard, and therefore we will arrange a way to count honest votes, and honest elections, without all of your certifications of fraud and treason....
Enough is Enough of your antics and Moral weakness, controlling elections, which belong to us, "WE THE PEOPLE"
YOU ONLY HAVE ONE MORE CHANCE TO DO THE RIGHT THING ON THE 17TH OF November, 2023, and that is to not certify this fraudulent election.
Thank you
