Subject: RESOLUTION NO. 2-7-24.11B RESOLUTION TO AMEND SANDOVAL COUNTY BOARD OF COUNTY COMMISSIONERS RULES OF PROCEDURE 7 & 8

Comments:

- 1) Two minutes is not an adequate period to address comments and it has been observed in several other meetings if the speaker is in favor with the Chair, the comments are allowed to extend past stated limits.
- 2) What are the commissioners afraid of with this resolution? This does not allow fair representation of the concerns of the community that the elected commissioners represent.
- 3) The website is not up-to-date nor is the agenda for this meeting detailed enough to allow a community member to even address an agenda item as per proposed RESOLUTION NO. 2-7-24.11B.
- 4) The Sandoval County, NM commissioners obviously do not want or encourage community input.
- 5) I have lived in several different localities where commissioner meetings are open and commissioners actually interact with community attendees asking questions and seeking their ideas for resolution of issues. Back and forth conversations are encouraged and show those represented that their concerns are HEARD and CONSIDERED; the current and proposed meeting format is a sad commentary on the commissioners acceptance of a dictatorial approach. The county loses out.
- 6) Is the Sandoval County, NM commission convinced that is resolution would survive the test of public and news outlet scrutiny?
- 7) I am appalled at the language and intent of RESOLUTION NO. 2-7-24.11B. Another sad day for the folks of Sandoval County.
