ELECTION DAY COMPLIANCE REVIEW:

This checklist will include deficiencies and the temporary measures that need to be implemented for voting accessibility. The temporary measures will be completed by the Election Board with direction from the Bureau of Elections staff.

These measures must be kept in place at the opening and closing of the polls. This checklist must be returned with other election materials at the closing of polls. This checklist will be provided to the United States DOJ 21 days prior to the election and within 21 days within 21 days after the election.
