

HERITAGE DAY Free Event

May 23, 2026

CASA SAN YSIDRO

10:00 AM - 4:00 PM

Casa San Ysidro is pleased to announce Heritage Day 2026! Each year in May, Casa San Ysidro joins the Corrales Historical Society in celebrating our local heritage with a free event that exhibits the living traditions of New Mexico. The historical heart of Corrales comes alive with opportunities for people to engage in.

On May 23rd, from 10 AM - 4 PM, visitors can explore the museum's collection of rare artifacts, participate in a variety of historical activities, listen to live music, and learn about heritage art from traditional New Mexican artists. Throughout the day guests may visit with the local blacksmith as he works the forge, dance with the Acoma Pueblo Enchanted Dancers, eat horno baked goods, try making tinwork, plant seeds, spin and weave wool with Las Aranas Spinners and Weavers Guild, listen to authentic New Mexican Music, and much more!
