I. INTRODUCTION

A. PURPOSE OF THIS REQUEST FOR PROPOSALS

The Sandoval County Board of County Commissioners is accepting proposals for General Legal Counsel and Ethics Board Counsel (NIGP Commodity Codes: 96149). Responses will be accepted in the Finance Department, Attn: Leslie Olivas, Sandoval County Administrative Offices, 1500 Idalia Road, Bldg. D, 2nd Floor, Bernalillo, New Mexico 87004 until 3:00 p.m. (Mountain Daylight Time) on June 23, 2026. Late submissions will not be considered. The Sandoval Board of County Commissioners reserves the right to reject any and all responses.

B. SANDOVAL COUNTY BACKGROUND

Sandoval County is a Class A county located in central New Mexico. It covers over 3,700 square miles of both urban and rural areas with a population of approximately 148,800 people according to the 2020 census. Sandoval County has a commission/manager form of government. The Board of County Commissioners consist of five members elected by voters within their respective districts. The County Manager is appointed by the Commission to carry out policy and serve as chief administrative officer.

Sandoval County is routinely named a defendant in litigation, and occasionally takes legal action as a petitioner. Additionally, Sandoval County is routinely a party in quasi-judicial administrative matters. Many legal actions in which Sandoval County is named party are not covered through New Mexico Counties' insurance pool and yet require legal expertise and often substantial time and resources to resolve. It is in the best interests of Sandoval County to retain several attorneys and/or law firms to serve as outside counsel to represent and advise Sandoval County, its officials, employees, and the Sandoval County Ethics Board in general legal matters.

The Sandoval County Ethics Board was created in Fall 2018 after the Sandoval County Board of County Commissioners passed an Ethics Ordinance relating to the promotion of the ethical conduct of public officials within the county. The ordinance requires a county contract compliance officer who shall advise the Ethics Board.

C. SCOPE OF PROCUREMENT

The Sandoval County Board of County Commissioners is accepting proposals for comprehensive legal services divided into two primary roles: General Legal Counsel and Ethics Board Counsel. Under the direction of the County Attorney, the general legal providers will manage litigation, conduct internal investigations, and provide regular briefings and reporting to County officials. Simultaneously, the Ethics Board requires a dedicated representative to serve as the Contract Compliance Officer, where they will advise on the merits of ethics complaints, oversee administrative proceedings, and ensure strict adherence to the Open Meetings Act and local ordinances.

D. TERM OF CONTRACT

It is the intent of the County to make multiple awards to qualified attorneys or law firms.

1. This RFP will result in a one (1) year contract that may be extended upon mutual written consent for up to three (3) additional one (1) year terms.
2. When a multiple source award is made by the County, at its sole discretion, the County will determine what projects, cases, and matters are assigned to the Contractor. Separate contracts may be awarded to different attorneys or firms who possess the relevant required expertise or legal specialty depending on the needs of the County.
3. Where multiple Contractors are contractually able to represent the County in a particular practice area, the County may, in its sole discretion, require Contractors to submit proposals with respect to a specific matter. The purpose of such proposals is to enable the County to assess the Contractors' then current capacity and capabilities against the requirement of the specific matter, so that the County can determine which Contractor is best suited to represent the County on the matter. Such request may require the Contractor to estimate the cost of the services requested based upon the hourly rates established in the contract.
4. The County Attorney will provide program and operational support and direction for all assigned projects. The County reserves the right to review or modify the scope of services for a project including the not-to-exceed compensation to paid to the Contractor(s).

Campaign Contribution Disclosure Form

Pursuant to NMSA 1978, § 13-1-191.1 (2006), any person seeking to enter into a contract with any state agency or local public body for professional services, a design and build project delivery system, or the design and installation of measures the primary purpose of which is to conserve natural resources must file this form with that state agency or local public body. This form must be filed even if the contract qualifies as a small purchase or a sole source contract. The prospective contractor must disclose whether they, a family member or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor, a family member or a representative of the prospective contractor to the public official exceeds two-hundred-fifty dollars (\$250) over the two year period.

Furthermore, the state agency or local public body shall void an executed contract or cancel a solicitation or proposed award for a proposed contract if: 1) a prospective contractor, a family member of the prospective contractor, or a representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or 2) a prospective contractor fails to submit a fully completed disclosure statement pursuant to the law.

“Campaign Contribution” means a gift, subscription, loan, advance or deposit of money or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official or any person authorized to raise, collect or expend contributions on that official's behalf for the purpose of electing the official to either statewide or local office. “Campaign Contribution” includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.
